

Scouting Inspires...*Adventure*

What will **your** **adventure** be?

Scouting uses outdoor activities as a tool to help develop confidence, leadership, and skills that last a lifetime. Your son and daughter can participate in endless amounts of fun activities like mountain climbing, scuba diving, archery, white water rafting, fire-building, camping, rappelling, and many more! *With hundreds of fun badges to earn, Boy Scouts learn the best part of success is the journey.*

**Learn more about Scouting,
join us on**

Earn merit badges in:

- Sports
- Computers
- Cooking
- Electronics
- Game Design
- Veterinary Medicine
- First Aid
- Swimming

And many more!
