CUB SCOUT ADVENTURE CAMP
COLORING BOOK

www.senecawaterways.org
The Adventure takes place at the J. Warren Cutler Scout Reservation located near Naples, New York in the beautiful Bristol Hills. Cub Scouts live in one of five themed villages for three days and two nights. While there they participate in camp-wide activities such as boating and fishing, swimming, nature, archery, and shooting sports as well as themed village programs.

Camp is fun when you attend as a Parent & Scout pair but it’s MUCH more fun when you attend as a Den or as a Pack. If your Pack or Den is attending as a group sign up together, if not, sign up on your own. Cub Scouts go camping, don’t miss out on the fun this summer.

Camp Cutler. has a lot to do in each of the four seasons. Summer camps, special activities and camps, as well as year-round camping, provide a well-rounded experience.
