Summer camp is the heart of a great troop program. We want Scouts to know that summer camp is all about opportunities for personal growth, adventure and advancement! It is important that all Scouts have the opportunity and ability to have a great summer camp experience. Our staff continues its dedication to excellence to set the stage for the scouts to expand their skills and knowledge.

While the events of the last few months have caused cancellations and postponements of many activities; it has also been an opportunity to show our true scout spirit and resourcefulness. We have transitioned our physical summer camp experience to a virtual platform. Along with merit badge offerings, the scouts will have opportunities to go on virtual tours, get involved with community service and family service, and have fun in their backyard setting up their campsite.

Unit leaders can register their unit using the link below:

After 60 days of making the registration but not within 30 of the event, the customer is charged 75% of the registration cost being canceled. Once within 30 days of the event, the customer is charged 100% of the registration cost being canceled. Some events maintain their own refund policy such as NYLT, Eagle Flight, and all summer camp programs; please review the leader’s guide for these programs for the refund policy.
Virtual Camping

Six weeks of Virtual Camping are offered (Sessions 1-6). Campers are encouraged to set up their campsite in their backyard or build a blanket fort in their living room. Take pictures of your campsite and send it to the Commissioners so you can earn Patrol and Troop points.

Provisional/Solo Camping

– Scouts not attending camp with their home Unit

Provisional scouting provides youth the opportunity to attend camp when their troop is attending another camp or not at all. They will still be able to earn merit badges and participate in fun activities with other provisional scouts.

Often, Scouts may choose to come back for a second week after their troop has already attended camp for a week. Any Scout may attend a second week at Camp for the reduced additional week camp fee. Provisional camping is a new and exciting experience for Scouts and we highly encourage any Scouts interested to register for a second week at camp.

Campsite Reservations

Troops made campsite reservations when they turned in their deposit. We reserve the right to make changes necessary to best accommodate campers. You can make your 2021 reservation and place your campsite deposit at the following links:

Out of Council Units

Out of council unites are welcome to join our virtual summer camp. Unit registration can be made via the following link: [Camp Racdeever 2020 Registration](#).
Preventing for camp

Merit Badge Advancement Preparation
Some merit badges offered at camp require advance preparation. Scouts should bring materials for completed requirements or partial cards to camp. Merit Badge Counselors will review any completed written work during their first merit badge class. No Scout should come to camp without knowing beforehand what merit badges they plan to take, what the requirements are and which requirements should be completed prior to camp.

Online Merit Badge Registration
Camp Racdeever uses an online system to manage payments and schedule merit badges. In order to register a Scout for Merit Badge Classes there must be enough funds paid to register a Scout in full for camp. Merit Badge classes open for registration on Friday, June 19 starting at 9:00 AM.

The unit can only register Scouts for Merit Badge Classes after they are paid in full. Some classes have additional fees for supplies when Scouts register.

All scouts should have completed Cyber Chip training prior to camp.

Google Classrooms will be used for the merit badge sessions. Unit leaders are encouraged to setup a Google Classroom for your unit as an avenue for communication. We will develop a ‘How To’ guide to assist you in setting up your Google Classroom for your unit.

All adults – unit leaders and parents – are encouraged to ‘sit in’ on their scouts’ merit badge sessions to assist us in complying with the YPT two-deep leadership protocol.
## Merit Badge List

The following merit badges will be offered on a daily basis, Monday through Friday. There will be three 50-minute session of each badge: 9:00 AM, 10:00 AM, and 11:00 AM.

First Year Camper Program
Newly bridged Arrow of Lights will have the unique opportunity of participating in our Trail Head program. It is a week-long program meeting daily from 9:00 AM to Noon. Each day will offer the scouts opportunities to work on rank advancements, scout skills, team work with patrol competitions. Scouts enrolled in the program will also work towards earning Scouting Heritage merit badge (please have Scouts collect their Scouting memorabilia together before camp starts).
More details can be found in Appendix D.

Afternoon Program
Scouts will have the opportunity for patrol competitions with the various afternoon activities and challenges. Virtual tours and scout skill demonstrations are only a few of the activities planned each afternoon.
More details can be found in Appendix E.

The Scouting Trek
The Scouting Trek represents the journey we all take as scouts. Over our years at camp, we develop skills and understandings that help us learn and grow along our scouting journey. However many years you have attended camp determines how far along the Scouting Trek you are (e.g. if this is your third year coming to camp you will be in year three). For scouts who regularly attend Massawepie Scout Camps and participate in the BarkEater program, the year you complete in the Scouting Trek will count toward your BarkEater.
More details can be found in Appendix F.

Blue Cards
Unit leaders will access the merit badge records via Black Pug to download and print for your records.

Themed Clothing Days
- Monday – Camp Tee Shirt
- Tuesday – Racdeever Day – (wear clothing from multiple camps)
- Wednesday – OA Shirt Day (or red/white shirt day)
- Thursday - Flannel shirt day
- Friday – Camp Tee Shirt
Unit Service

Camp Commissioners
The Camp Racdeever Commissioners are your troop’s primary connection to the camp staff and your front-line troubleshooter. A commissioner will visit your site each day to perform a health, safety and cleanliness check and talk with campers and leaders. The Campsite Checklist will be reviewed during these daily visits. The check list for the campsite, not per each unit in the campsite. Units are encouraged to work together to keep the campsite safe and clean and collaborate on campsite improvements and camp projects. Please use the commissioners as a resource to obtain equipment or supplies; schedule special activities, cookouts, or outposts; and solve problems or answer any questions about camp. Leaders may choose to volunteer as a camp commissioner for the week they are at camp. Please contact the Camp Commissioner for further details.

Camp Notices
Camp Racdeever will be using email via Black Pug to distribute camp-wide notices.

Sunday Orientation
Sunday evening after dinner will be a Scoutmaster and Senior Patrol Leaders’ meeting. This important camp orientation meeting will be held at 7:00 PM via a video conferencing platform. Information about camp policies and procedures and new program offerings will be presented and announcements about the weekly schedule will be made.
In Camp

**Camp Director’s Mug Up**
Each afternoon at 2:00 PM, Unit Leaders are welcome to attend our daily meeting. The purpose of this meeting is to review the program of the next 48 hours.

**Senior Patrol Leader Meeting**
There will be a Senior Patrol Leaders’ meeting every day at 1:00 PM. Patrol Leaders are invited to meet with the Program Director and Camp Commissioner to receive important information and plan camp-wide activities. These meetings will conclude quickly so Senior Patrol Leaders can meet their units back at their campsites and share this information before afternoon program begins.

**Trading Post**
An online trading post will be available for purchases of Camp Racdeever apparel. Orders will be shipped directly to the purchaser’s home. There will also be Camp Babcock-Hovey and Massawepie Scout Camps custom items available for purchase.

**The Scout Law**
The twelve points of The Scout Law guide Camp Racdeever. All scouts, scouters, and staff conduct must maintain the high standards defined in a Scout by being:

*Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent*

At Camp Racdeever we cannot tolerate or permit activities, which would call any of these virtues into question.

**Volunteering at Camp**
It takes a significant amount of time to maintain and improve the three camp properties. If you are a skilled tradesman or you would like to help around camp please contact our rangers:

Appendix A – Camp Policies

**Bullying**
The Scout Oath and Law are expected to be followed. Scout Camps has a **NO** tolerance policy for bullying. Bullying is grounds for immediate dismissal from camp at the discretion of the Camp Director. Any form of verbal abuse or threats will result in immediate dismissal from camp.

**Cell Phones and Electronic Devices**
Scouts should not be on their cell phones while in the merit badge session.

**Colors and Retreat**
Colors are held each morning at 7:45 AM and retreat is held every evening at 5:45 PM in the Parade Field. Attendance is required, and the Field Uniform (Class A) is expected at evening retreat.

**Uniforms and Attire**
The Boy Scout Field Uniform (Class A) and appropriate activity uniforms (Class B) are expected attire at any Scout functions. Scouts should have most, if not, all of the uniforms for camp. The Field Uniform is required at retreat, dinner, vespers, and other formal programs.

**Youth Protection at Camp**
Unit Leaders should review youth protection guidelines with all adults who will be serving as leaders in camp. The following barriers to abuse within Scouting are used at camp to ensure the safety of our youth campers. We expect adult leaders to follow these guidelines at all times:

The BSA has adopted the following policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. All parents and caregivers should understand that our leaders are to abide by these safeguards. Parents and youth are strongly encouraged to use these safeguards outside the Scouting program. Registered leaders must follow these guidelines with all Scouting youth outside of Scouting activities.

**Registration Requirements**
The chartered organization representative, or in their absence the executive officer of the chartered organization, must approve the registration of the unit’s adult leaders.

Registration includes:
- Completion of application including criminal background check and mandatory Youth Protection training
- Volunteer Screening Database check

Current Youth Protection training is required for leaders when renewing their registration or at unit charter renewal.

Adult program participants must register as adults and follow Youth Protection policies.

**Adult Supervision**
Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.
All adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as leaders. The 72 hours need not be consecutive. One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting.
Appendix B – Check Lists

Scouting Heritage program integration-

- Add to scouting discussion on Thursday: Prominent figures in scouting history (2a) and Events and Locations (2b), discuss Scouting program’s change over time (3). (1) should already be covered this day because of discussion.
- (6) is fulfilled by day one activities.
- Scouter volunteers could work as interviewee for (8) waving the age and the number of interviews needed. I do not believe this is unreasonable considering our circumstances and how much scouting has changed even in the past ten years.
- At the beginning of the week scouts should be informed they should make a piece of old timey scouting equipment to present at some time throughout the week to fulfill (7). Encourage scouts to learn about their own troop/council and be ready to present something of what they learned (number of eagles, year it was started) to fulfill (5)
- (4c) could be fulfilled by a short tour of the Camp Babcock-Hovey’s museum and the Massawepie Scout Camps’ museum presented during either Thursday or an open program.
