

Seneca Waterways Fall 2020 Training Schedule

The COVID-19 pandemic has postponed/canceled many of our in-person training events. We anticipate holding the training events listed below as long as they can be done with participant safety as a top priority. The training team will work the Seneca Waterways Council training professionals to monitor the most current guidelines provided by the state and local health agencies when planning in-person training events. Registration for maybe found on the Seneca Waterways website in September. In the event a course needs to be postponed for any reason refunds will be made.

All Direct Contact Leaders and their Assistants, Chartered Organization Representative, Committee Chairs and committee members in Seneca Waterways are mandated to complete the required training for the position they hold as well as being current in Youth Protection Training. On-line training for all required training courses except Intro into Outdoor Leader Skills (IOLS) can be found at www.my.scouting.org.

If you have any questions please contact us at training-commmmittee@senecawaterways.org
