

Friends of Scouting Makes a Difference

Your Gift Helps Provide

- all youth with the opportunity to be a Scout and participate in our programs no matter their economic circumstances;
- support and training for more than 2,600 adult volunteer leaders who make the Scouting program possible;
- materials and program development for the exciting, once-in-a-lifetime experiences that can only be found in Scouting; and
- outstanding camping facilities to kindle the outdoor spirit of Scouting.

Scouting Positively Impacts ...

Your Community

Scouts and their leaders across our Council provide more than 68,000 hours of service to their communities each year.

More than 140 Eagle Scout service projects are planned and carried out each year. These projects benefit the community and play an important role in leadership development for those involved.

Tomorrow's Leaders

Scouting provides a safe program where youth develop *grit* – the ability to work hard, endure struggles, fail and then try again. Scouting exposes youth to a wide range of information and experiences through the advancement program and challenging/fun activities.
